COMMON SENSE COLORADO

Response Due Date

11/09/2012

IDENTIFICATION NUMBER: C00491936

REFERENCE: MARCH MONTHLY REPORT (02/01/2012 - 02/29/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses an aggregate year-to-date total for the contribution to "Carlson, Catherine A" which appears to be incorrect. Please amend your report to provide the correct aggregate year-to-date totals. Please note that this problem frequently occurs when the contributor name is entered in the committee's electronic reporting database more than once using a different spelling and/or format. This prevents the database from properly aggregating contributions from the same individual or entity. Ensuring that the name of each contributor is entered into the database only once would help avoid year-to-date errors. When reporting contributions from political action committees, using the contributor's FEC identification number will help prevent duplicate entries. (11 CFR § 104.3(a)(2))
2. Schedule A supporting Line 11(a)(i) of your report discloses \$5,000 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity. (11 C.F.R. § 104.3(a) and (b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action

will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1152.

Sincerely,
